Technical: Python, JavaScript, HTML, CSS, React, Node.js, MongoDB

Specialisations: Prompt Engineering, AI Content Workflows, AI Video Generation, AI Research

Soft Skills: Analytical Thinking, Communication, Process Optimisation, Problem Solving, Team Collaboration

EXPERIENCE

Senior AR Specialist — AGS Health Care

Aug 2023 – Present

Bengaluru, India (Hybrid)

- Managed end-to-end Accounts Receivable processes for US healthcare providers, ensuring timely claims resolution and payment recovery.
- Investigated denied and underpaid insurance claims — identifying root causes, coordinating with insurance representatives, and maximising reimbursements.
- Worked with PHI Phygen and multiple payer portals to resolve complex claim issues while maintaining full compliance with healthcare regulations.
- Mentored junior team members on denial management, claims follow-up, and revenue cycle best practices.

AR Specialist — Elico LTD

Dec 2020 – Mar 2022

Hyderabad, India

- Managed insurance claim follow-ups and payment collections for Medicare and Medicaid accounts.
- Resolved denied and pending claims through detailed account analysis and effective communication with insurance providers.
- Contributed to improving collection performance through proactive follow-ups and timely issue resolution.

PROJECTS

ContentPilot AI — AI Marketing Content Studio

2025 – Present

React, Node.js, OpenAI API, Tailwind CSS

- Building an AI-powered web application that generates marketing content (Instagram captions, LinkedIn posts, blog ideas, email copy) in seconds using Generative AI.
- Implemented content type selection, tone controls, and one-click copy — reducing content creation time from hours to seconds.

SEOInsight AI — AI SEO Assistant

2025 – Present

React, Node.js, Gemini API, Tailwind CSS

- Building an AI-powered tool that analyses blog articles and generates SEO recommendations — including title tags, meta descriptions, keyword suggestions, readability scores, and FAQ schema.
- Features audit history, content templates, and structured SEO reports for content marketers.

EDUCATION

SV University

2021 – 2023

Master of Computer Applications (CGPA: 8.0)

Sri Venkateshwara University

2018 – 2020

Bachelor of Science in Computer Science (CGPA: 7.5)
